Blues music is written in an AAB format. For example in Tracey Chapman's song – Give Me One Reason the lyrics for 2 stanzas are:

Give me one reason to stay here and I'll turn right back around
Give me one reason to stay here and I'll turn right back around
Because I don't want leave you lonely you got to make me change my mind

I don't want no one to squeeze me, they might take away my life
I don't want no one to squeeze me, they might take away my life
I just want someone to hold me and rock me through the night

Use this format to write your own blues song. See if you can write at least 4 stanzas.
