

Most households have 3 bins. 1 for non-recyclable waste, one for recyclable waste and one for green waste or food scraps.

Sort the items to the correct bin.

 <p>Recycling</p>	 <p>Household Waste</p>
 <p>Green Waste</p>	 <p>Special Waste</p>

 car battery	 plastic bag	 broken plate	 glass bottle	 shredded paper	 bones
 plastic bottle	 food scraps	 TV	 take away coffee cup	 phone	 soda can
 bubble wrap	 book	 syringe	 garden waste
