

A MATHS 'N' MOVEMENT Activity

Use the enlarged "man-made" and "natural" cards below and let the children sort these into things which are "man-made" and those which are "natural".

YOU WILL NEED

The cards below enlarged and printed onto cardboard.

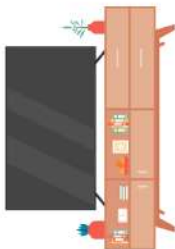

ACTIVITY

- 1 Place the red and blue 'man-made' and 'natural' cards either on the ground or stuck to a wall at least 5 metres apart.
- 2 As students are shown the cards they must choose whether this is something that is man-made or natural.
- 3 Students must then demonstrate their response by using the given fundamental movement skills such as hopping, skipping or jumping to their chosen card - 'man-made' and 'natural'.

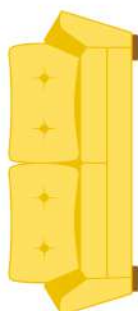

Compares and sorts items from the natural and man-made world.
