

Y - CHART

Use the Y Chart below to show what it looks, feels and sounds like if you are cyber safe.

The Y-chart is a large pink shape divided into three sections by white lines. At the top of the Y is the text "SOUNDS LIKE" in a pink, curved font, with a small icon of an ear and sound waves below it. The left arm of the Y is labeled "LOOKS LIKE" in a pink, curved font, with a small icon of a pair of eyes below it. The right arm of the Y is labeled "FEELS LIKE" in a pink, curved font, with a small icon of a person with their arms crossed below it. The rest of the Y-shape is blank space for writing.

Understands what safe online practices are.
