

MAKE A RED LANTERN

Red lanterns are hung to celebrate Chinese New Year. Create your own red lantern using the pattern and instructions below.

YOU WILL NEED

- The template below
- Scissors
- Stapler

INSTRUCTIONS:

- 1 Cut out both the large and thin rectangles
- 2 Fold the large rectangle along the solid undotted line.
- 3 Cut along the dotted lines - stopping at the yellow edge.
- 4 Decorate the lantern if desired.
- 5 Roll the rectangle so the X's and O's meet.
- 6 Staple the O's together.
- 7 Place one end of the extra strip where the X's meet.
- 8 Staple the extra strip in place to finish the lantern.

Follows a sequence of steps to create an artwork.
