

# Emu Coordinates

Eli from Gamilaraay Country talks about the emu in the sky. Use the coordinates below to create an emu.

Use the coordinates below to graph the Emu of the Milky Way.

(25,21), (24,21), (23,21), (23,20), (23,19), (22,18), (19,16), (15,16),  
(11,16), (5,12), (3,8), (4,9), (5,9), (7,10), (6,7), (4,4), (1,4), (3,3),  
(1,2), (3,2), (5,4), (6,5), (7,7), (9,9), (11,11), (13,12), (16,13), (18,15),  
(19,15), (23,18), (24,19), (24,20)

Uses the first quadrant of the Cartesian coordinate system
