

TURTLE COLLAGE

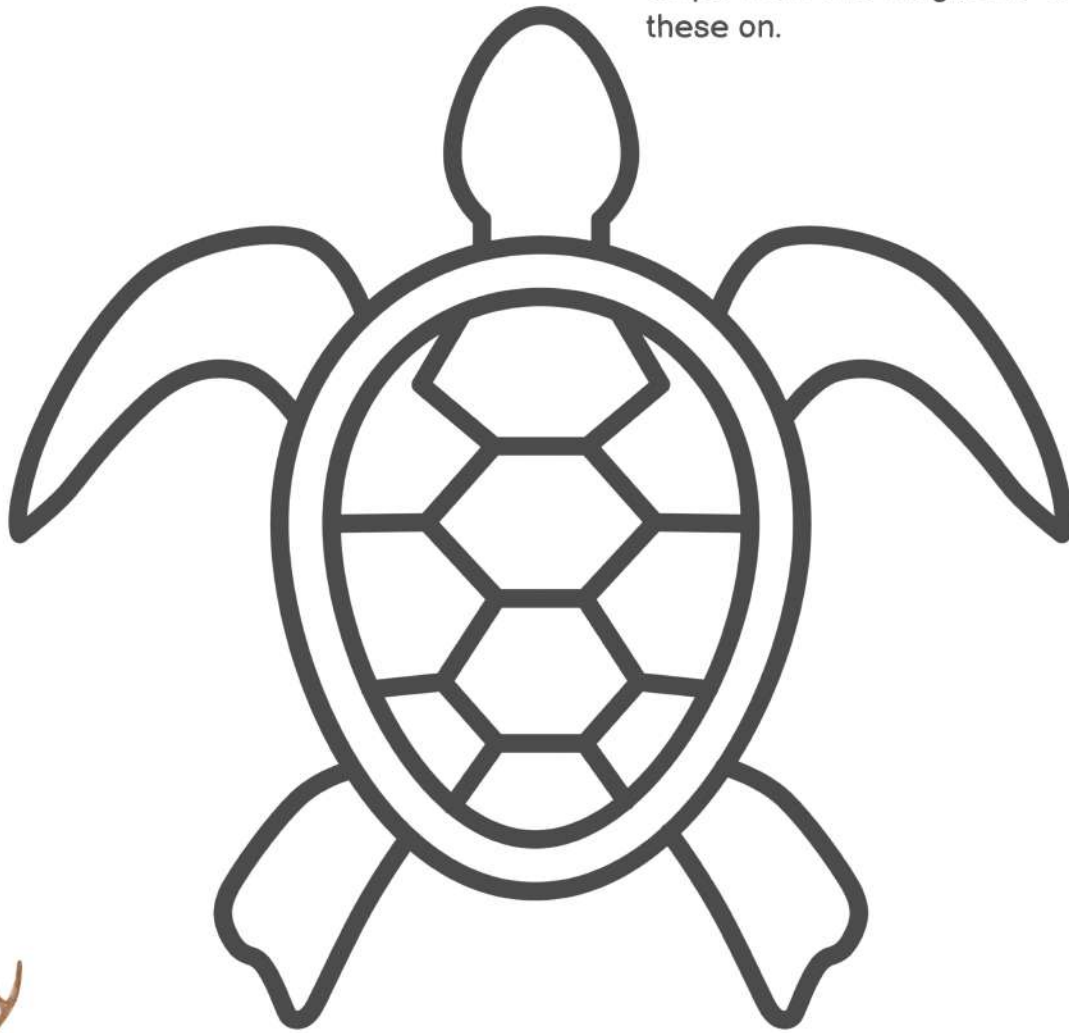

Tai Snaith uses collage to make several of the images in the book. Use the instructions below to make a collage turtle.

YOU WILL NEED

- The image below as your outline
- Old glossy magazines
- Scissors
- Glue
- Marker
- Pen

INSTRUCTIONS

- 1 Cut or tear sections out of the magazine and paste them onto the outline below to make a collage turtle.
- 2 You can mark the shell lines, flippers and face on at the end over the collage pieces or cut thin black strips from the magazine to collage these on.

Use and experiment with different materials and processes to make artworks.
