

Painted Worm

Use the instructions below to make a painted worm.

YOU WILL NEED

- Sponge
- Paint

ACTIVITY

- 1 Pour some paint onto the sponge.
- 2 Have children use their pointer finger to dip into the sponge and then finger print circles of paint into the space below.
- 3 Repeat this until their have a worm of at least 8 circles.
- 4 When dry draw a face onto the first circle and decorate any other circles as desired.

Follows a sequence of steps to create an artwork
