

COMPLIMENT FAN

Cut out the paper at the bottom of the page and fold on the dotted lines in a concertina pattern ie. forwards and backwards to make a fan.

On the first fold the child writes their name.

This is then passed around the room and each child adds one positive comment about the child who owns the fan until the front and back folds are full of positive comments.

For younger children you may wish to have students sit in a circle and verbalise what is great about each of their circle friends.

Can see the good in and offer positive comments to other
