

POPSICLE STAR

Yabini was given her name because she was born when a little star was shining brightly in the evening sky. Follow the instructions below to make a star of your own.

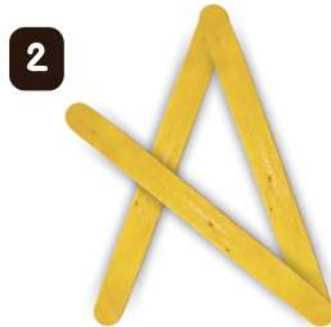

YOU WILL NEED

- 5 Yellow Pop Sticks
- Craft Glue
- Gold Glitter
- Ribbon or Twine

INSTRUCTIONS

1 Glue two pop sticks together in the start of a triangle.

2 Glue a third pop stick so it crosses one of the other first sticks.

3 Glue the fourth pop stick to form the start of another triangle.

4 Glue the fifth stick so the two ends meet. Your star is complete!

5 Form a loop with a small piece of ribbon or twine and glue the loop to one point of the star.

Turn the star over and cover in craft glue. While still wet sprinkle with gold glitter.

When dry - hang the star up.
