

# Space Rocket Ship

Harold likes reading about space and rocket ships.  
Make a 2D shape rocket ship below.

1. Colour each of the shapes at the bottom of the page.
2. Draw or glue a picture of you in the circle in the square.
3. Cut out the shapes.
4. Glue the shapes onto the rocket ship.

PD2-4 - Performs and refines movement skills in a variety of sequences and situations (Fine Motor Skills).

EYLF/VEYLDF 3.2.7 - Manipulate equipment such as scissors and glue with increasing competence and skill.

ACMMG009/Mae-15MG - Manipulate, sort and describe two-dimensional shapes.
