

THE BLACK DOG

Following the instructions below draw a black dog both as a cute, fluffy pet and a scary, ferocious beast.

Draw an oval for the head and two circles for the eyes.

Two triangles, one big with rounded edges at the bottom and one for the nose.

Two curved lines from both sides for the body.

Now make the outline of your dog by following the guide lines. Making some of the lines curved.

Erase guide line and draw the ears. Make them fluffy by drawing curvy lines.

Add the scruff and a line connecting the nose and the mouth.

1 Use simple shapes to draw guide lines to use a base for your black dog.

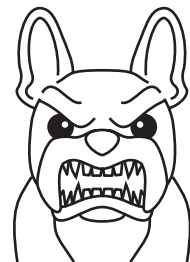

2 Using the guide lines. Make an outline of your dog with some of the lines curved to create features.

3 Now add the eye brows to convey anger. Add the lower lip and two curved line from both sides for the body.

4 Add the eye without overlapping the lines. Add the sharp teeth, the inside of the ear and two more lines for the front legs.
