MAKE A CARD!

Design a cut out Thank You card using the instructions below.

YOU WILL NEED

A White or light coloured A4 cardboard Sheet
Coloured marker, pens, and pencils
A pair of scissors

INSTRUCTIONS

1. Fold the cardboard in half to make a greeting card
2. On the Front draw a peacock
3. Cut out the centre of the peacocks tail
4. Inside the card draw a rainbow so that the centre of the rainbow lines up with the centre of the cut out peacocks tail.
5. Write a message under the rainbow.
6. Present the card to someone who has done something nice for you.

Your A4 Sheet Should look something like this!

INSIDE	INSIDE
	*Write your message here
FRONT	BACK
	*leave this part blank
