

# WATER SOURCES

We Are Water Protectors is all about protecting the water. Use this information to colour the pie graph so you can see where the water on Earth can be found.

WATER SOURCE	PERCENT OF TOTAL WATER	ANGLE OF A PIE GRAPH (% X 360°)
Oceans, Seas, & Bays	96.5%	
Ice caps, Glaciers, & Permanent Snow	1.7%	
Groundwater and Atmosphere	1.7%	
Lakes, Swamp and Rivers	0.1%	

Use the pie chart to colour this bar graph.

Maths - ACMSP097 - Evaluate the effectiveness of different displays in illustrating data.
