

Draw a Bee

Follow these steps to draw a simple bee.

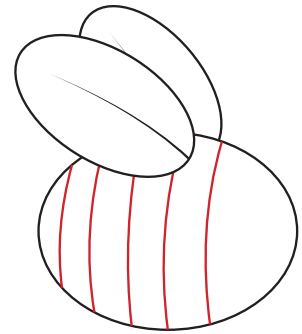

Step 1

Draw a fat oval for the body.

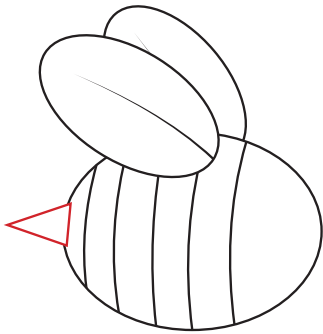

Step 2

Draw ovals for the wings and lines for the details.

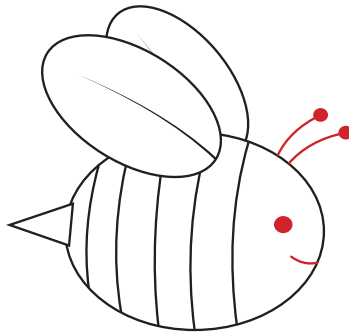

Step 3

Draw curved lines for the bee's stripes.

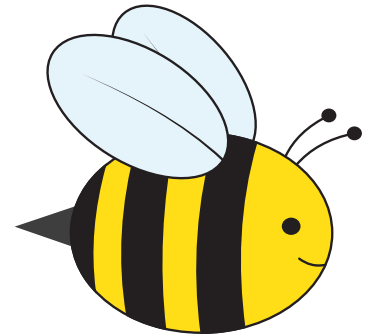

Step 4

Make a rectangle for the bee's stinger.

Step 5

Draw circles for the eyes and the tip of the antenna and lines for the mouth and antenna.

Step 6

Finalize the bee by adding color.
