

DRAW A WHALE

Follow the step by step instructions to draw a whale.

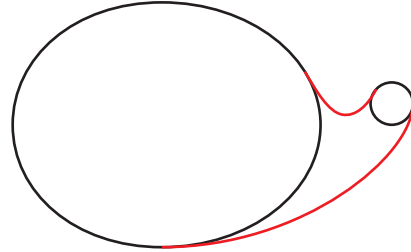

Use pencil first to draw guide lines.

1

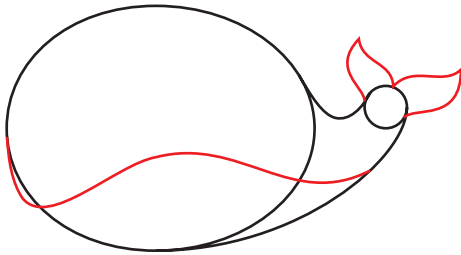

Draw an oval shape for the head and a small circle for the tail.

2

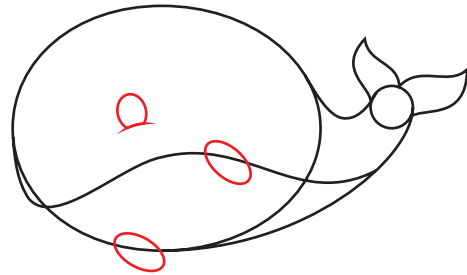

Connect both circles with curved lines.

3

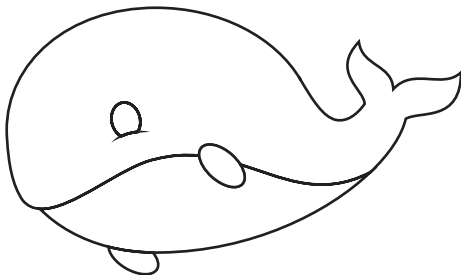

Draw a curve line for the under belly and making the front overlap the head to create the mouth then add the tails

4

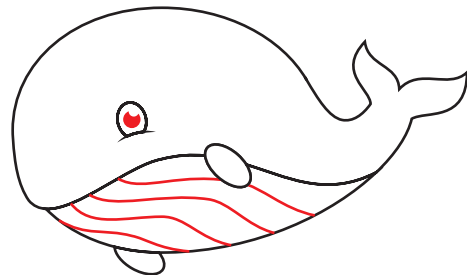

Add the flippers with oval shapes and add the eye.

5

Create the final outline for your whale and erase guide lines.

6

Finally, add curved lines for you whale's under belly and add the eye.
