

Draw A Chicken

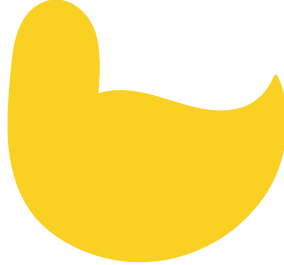

Use the instructions below to draw a chicken.

1

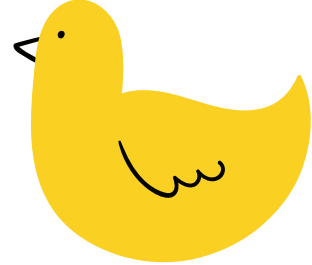

Start by blocking out a paisley shape. This will be the body.

2

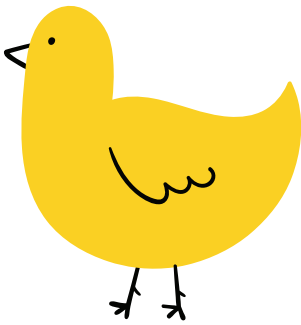

Extend the shape with an oval for the chicken's neck.

3

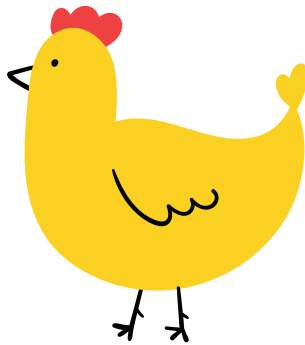

Draw an arrow beak, a dot for its eye, and curves for the wing.

4

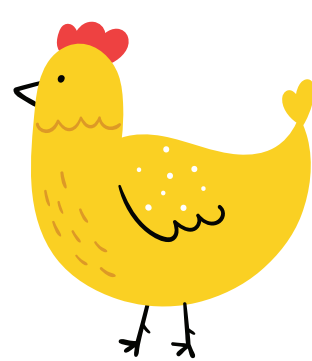

Make lines for the feet.

5

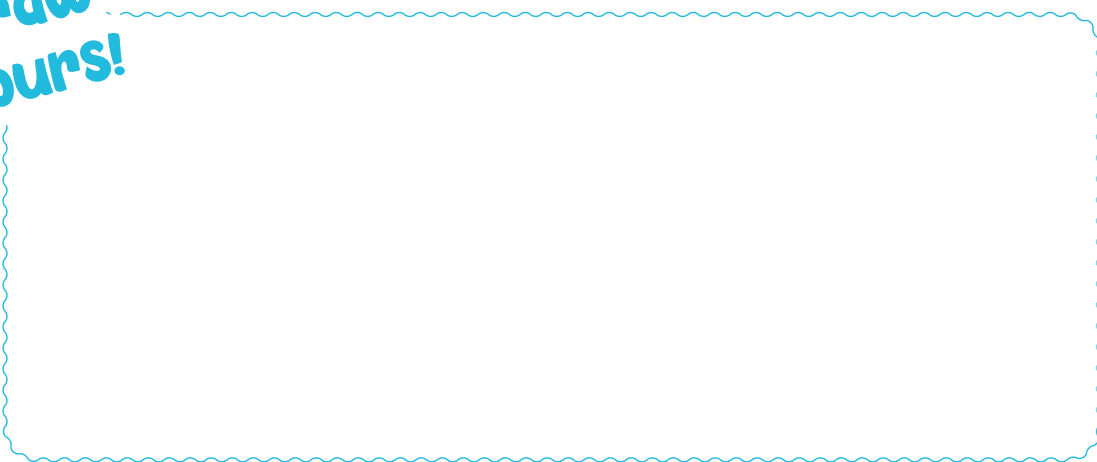

Add some curved shapes for the tail and comb.

6

Decorate with dots and lines to represent feathers.

Draw yours!
