

# Draw A Budgerigar

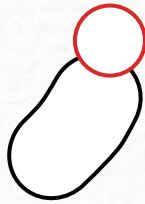

Use the step by step instructions to draw a budgerigar like Willas and give it a name as this is the only animal in the book not to have one already.

1

Start by drawing a bean shape for the budgerigar.

2

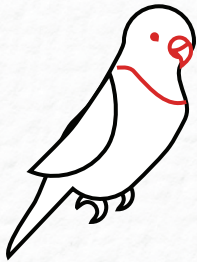

Draw a circle for the head.

3

Make half circles and crescents for the wings and talons

4

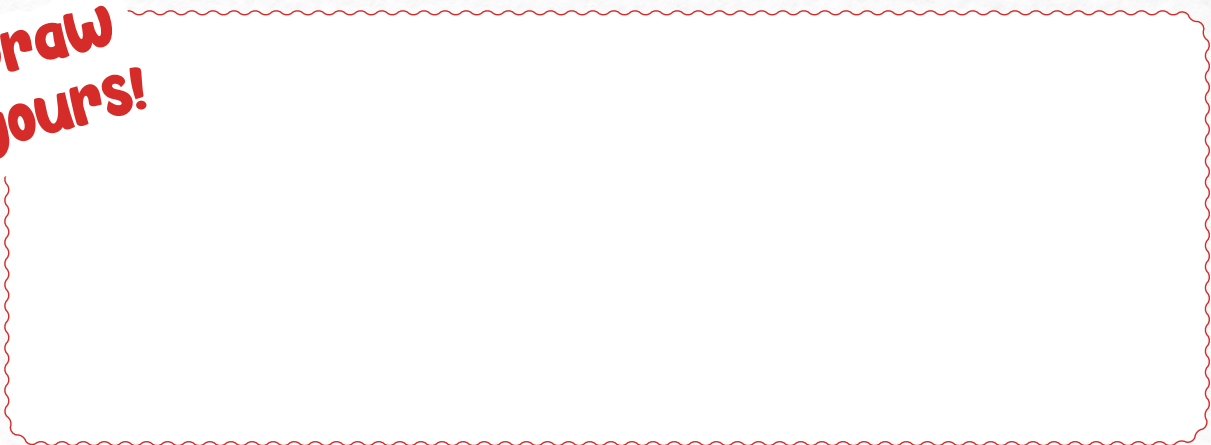

Draw the eyes, beak, and neck.

5

Clean up your sketch and finish with details of your choice.

**Draw yours!**

Early Years Learning Framework: Outcome 5 – Follows simple instructions for a set purpose.
