

JETTY JUMPING

In some towns around Australia it is illegal to jump off jettys and can in fact attract a significant fine. The reason for this is that jetty jumping can be very dangerous. Cut out the pictures at the bottom of the page and paste those into safe and unsafe things to do when jetty jumping.

SAFE	NOT SAFE

HPE - ACPPS023 - Identify and explore natural and built environments in the local community where physical activity can take place safely.
